

Sarah returns from Supreme South African Mission

A dream came true for Sarah Turnbull of Supreme Products when she embarked on the trip of a lifetime to help build a new community centre in the Eastern Cape Province of South Africa

Fundraising efforts throughout the year and on the Supreme Products stand at shows, brought in more than £3,500 which set her on the journey with the charity ActionAid.

"It was just an amazing experience," said Sarah. "I loved every minute and am already planning to go back, it was both a privilege and an eye-opener to be involved and I would encourage anyone to think about similar initiatives, they are so worthwhile.

Helping to build the community centre was hard work but a lot of fun at the same time and the local residents were so warm and friendly and were really excited about the project."
